

DOMINICAN REPUBLIC BUILD TRIP

JUNE
8-13

BUILD HOPE WITH US THIS SUMMER!

When you join a Paradigm Foundation build team your time will be spent helping construct a home for a family living in extreme poverty. When we are not building, some of the team may be doing home visits or running errands - we like to be used however needed!

You can have confidence knowing you will spend your time doing something worthwhile and we can promise you will have memories that will last a lifetime. Our hope is that you share your experience with others when you return home and use what you learn to continue to help alleviate poverty however you feel called.

There is one thing we can guarantee, you will get WAY more out of this trip than you will put into it. Count on it!

LOVE. BUILD. SERVE.

Paradigm Foundation build trips are designed for all ages and skill levels. No experience is necessary, only flexibility, an open-mind and the heart to serve.
